HEALTH OFFICER'S REPORT

During the past year Henniker had one case of Diphtheria of unknown origin.

I have sent milk from all dairies that retail in Henniker, all are satisfactory. Also several samples of water from different places on the town supply, every one has been good.

Inspected one hospital, four nurseries, signed all applications and licenses were granted to all.

Disinfected one place.

Had two nuisances abated.

The town should take some action to have the present DUMP moved.

Respectfully submitted,

LEON O. COOPER,

Health Officer.

GIFTS

We have been the recipient of some very beautiful and interesting gifts in the year past. These are listed in the order received, but they should be seen to be appreciated:

The first silver spoon used in Henniker: Lieutenant Levi Colby had it made from a silver dollar and presented it to his wife, and in time it became the property of Mr. A. C. Flint of Billerica, Mass., who presented it to Tucker Free Library.

Mr. John C. Clark of Beverly, Mass., formerly of this town, presented the following:

(1) Piece of olive wood, cut from first olive tree in America brought from Spain.

(2) Piece of wood cut from the big tree in California, thro' which road is cut.

(3) Piece of redwood, where wood peckers had deposited acorns and tree had grown over the acorns, nearly covering them.

(4) Piece of wood from battleship Kearsarge, lumber for which was taken from Kearsarge Mountain.

(5) Piece of pear tree grafted in April, 1775, on Pickering Estate in Salem, Mass.

(6) Knife carried by Imri Ball, through the Civil War.

(7) Bullet and shell from battle of Gettysburg.

(8) Cannon ball fired at the British at the battle of Bunker Hill; found in Charles River.

(9) An Indian woman's shoe, over one hundred years old.

(10) Piece of the elm tree formerly standing in Cambridge, Mass., under which George Washington took command of the American Army. This Souvenir was sent to the donor of these articles on April, 1934 on the exact anniversary of the occasion.

Mr. A. D. Huntoon presented a large sponge taken from the fishing grounds off the shores of Florida.

Mrs. Frank Andrews of Hopkinton, N. H., presented a town history of the town of Franchestown, N. H.; also many pictures and descriptions of the Perkins Institute for the Blind, in Watertown, Mass.

Mr. and Mrs. Clarence A. Vincent gave the book "Edwardian Era", by Maurios Andre.

Mr. Arthur G. Preston: The records of the incorporation of the Henniker Academy and the clerks records of proceedings beginning 1836 to the close, 1921.

Mr. Willis Cogswell: A cabinet containing a collection of paper currency. Among these are: A bill for two shillings drawn on Assembly of Pennsylvania, issued 1773; also one in 1776. Bills of the confederacy and others along from that date to the present time.

Mr. Arthur J. Pierce of Bennington, N. H.: All beautifully framed and ready to hang, two pictures of West Henniker; one of the old bridge near R.R., the other the old covered bridge which was replaced about 1915. These are very interesting as well as beautiful.

Mr. Roy Knapton very kindly gave of his time and assistance in re-arranging the pictures in reading room, where these pictures may be seen.

Helen F. Sawyer: Presented a book, "North to the Orient" by Anne Morrow Lindberg.

That we had the privilege of enjoying the beautiful colored lights which adorned our evergreen trees in front of the Library, through the Christmas season we owe to Mr. Merle Patenaude, and we take this opportunity of expressing our appreciation.

The childrens book week was observed in the usual display of children's books, and the "story hour" is well attended and enjoyed. Mrs. Wilbur Parmenter is a person well adapted to the part of story

telling in just the right way to hold the average child's interest and attention.

The Librarian wishes to express her appreciation of the privilege of attending the "Northeastern Convention of Librarians" held at Lake George, N. Y. Other meetings have been attended and much enjoyed.

Again we express our thanks to the trustees, patrons and all who have been in many ways helpful the past year in making our work so pleasant and enjoyable.

May we have continued prosperity and enjoy the Library more and more that it may fulfill the purpose for which it was created.

Respectfully submitted,

FANNIE W. BENNETT,

Librarian.

MARION A. GARLAND,

Assistant.

From the above table it may be noted:

1. That only 2.7 half-days sessions were lost during the year. Two schools did not lose any time.
2. The number of pupils and average membership have some what increased.
3. A gain was made in percent of attendance.

4. The amount of tardiness per pupil is much too high. Every effort should be made to get pupils to school on time.

5. The outstanding record of the Brick school with no absence or tardiness for the fourth consecutive year.

The total number of different pupils enrolled in the public schools of the district was 315 of whom 14 were high school tuition pupils from other districts as follows: Bradford, 7; Newbury, 4; Canterbury, 1; Sutton, 1; New York, 1.

There were accordingly 301 pupils residing in the district and attending public schools.

Health

The report of the annual inspection of pupils conducted by Miss Ruth Nichols, school nurse, shows 58 pupils 10 % or more underweight, of whom 30 were receiving treatment or had defects corrected. Of the 16 having defective vision 13 had the defects corrected. Fifty-five of the 188 cases of defective teeth were corrected, and 11 of the 37 cases of diseased tonsils and adenoids. By means of funds received from the Child Recovery Program 5 tonsils and adenoid operations were performed, 2 were fitted to glasses, and 3 received complete dental care.

Nursery School

A nursery school under the direction of F. E. E. P. was held in one room of the Central building from December to the close of schools in June. Nearly 25

pupils under regular school age were enrolled. The work of the nursery school has been found to be a considerable advantage to those of the group who entered Grade I last September. We would have been glad to have the school continued this year, but owing to Federal requirements concerning the economic status of teachers we were unable to find more than one of the three people required to carry on the work of the school.

Debating

A series of debates between the high schools of Henniker, Hopkinton and Warner took place in March. The series was won by Hopkinton which sent its team to take part in the Interscholastic debates sponsored by Bates College at Lewiston, Me. The same plan will be followed in arranging debates for this year.

Other activities of the year included the annual concert of the Kearsarge Festival Orchestra in May, and the annual spelling match for eighth grade pupils of supervisory union No. 26.

Conclusion

We wish to thank the School Board, teachers and parents for their assistance and support in our endeavors to forward the educational interests of the district.

Respectfully submitted,

JOHN A. SINCLAIR,

Superintendent of Schools.
